IRONMAN Triathlon® Sleek Fitness Tracker

This fashionable accessory from Timex will monitor your every move! The Fitness Tracker is designed for active women who enjoy walking and jogging, or who are just interested in getting the most out of their daily routines. Just clip it on and watch it track steps as well as distance, pace, and calories burned. Other features include: INDIGLO® night-light, 50-lap memory recall with lap, split distance, and pace. For this and other Timex Ironman products, go to www.TimexIronman.com

Bionic Gloves

These gloves, made by the makers of the Louisville Slugger baseball bats, are great for gym use. They protect your hands against germs and keep them from getting sweaty. Bionic Gloves are the only fitness gloves designed by an orthopedic hand surgeon. They offer improved protection, superior grip, and enhanced comfort. Available online at bionigloves.com or at online retailers like target.com and dickssportinggoods.com.
